

THE STREET STORE

2026

Midstream is a caring community — one that consistently rises to offer help, compassion, and support to those in need. The Street Store 2026 is an opportunity for Midstream residents to step up and make a difference in the lives of those who need a hand up.

Residents are encouraged to donate gently used, preloved clothes, shoes, toys, books etc. The initiative not only reduces waste but channels the abundance of our community towards those who can benefit most from it. Forgotten treasures are turned into opportunities for underprivileged.
