

A COMMUNITY UNITED

Thank You for Supporting CANSA Shavathon 2026

The success of the CANSA Shavathon 2026 in Midstream is a powerful reminder of what can be achieved when a community comes together for a meaningful cause. This year's event once again demonstrated the generosity, compassion and community spirit that define Midstream.

On 28 February, the community's participation, enthusiasm and willingness to get involved helped create an atmosphere of encouragement and solidarity. Whether through shaving, spraying, organising, or simply cheering others on, their contribution made a real difference.

We would also like to extend our gratitude to the Midstream schools, whose learners, educators, and parents embraced the initiative with remarkable energy and heart. Seeing young people participate with such compassion and awareness is truly inspiring, and it reinforces the importance of teaching the value of giving back from an early age.

The CANSA Shavathon is more than just an event; it is a powerful statement of unity, compassion, and hope. By standing together, the Midstream community has once again shown that small acts of kindness, when multiplied, can have a significant impact.

Thank you to everyone who participated in CANSA Shavathon 2026 and helped make the event such a meaningful success - we raised R21 393! Your support brings hope, raises awareness, and helps ensure that those affected by cancer know they are not alone.

CONGRATULATIONS!

Build it generously donated two bicycles as lucky draw prizes. Congratulations to the winners - Glenham Simmonds and Werner de Beer.
